

T9 SmartTrax™ with PLM Intelligence™

Our most powerful tractor, now redefined.

SMARTTRAX

Introducing our all-new, best-in-class track system.

The 2024 T9 SmartTrax™ with PLM Intelligence™ is redefined with the addition of an all-new track system that's built to deliver outstanding performance during even your most demanding jobs.

» **Automatic track tensioning system**

*Eliminates manual adjustments
and supports longer belt life*

» **Track system suspension
and oscillating roller wheels**

*Improves ride quality and prevents
uneven wear during transport*

» **Clear track system hubcaps**

Clear center covers for ease of daily maintenance

» **Increased track belt offering**

Multiple tracks for a range of needs
