FARMALL B

23 - 57 HP TRACTORS

CASE IH FARMALL B

Hard-working, compact, and extremely versatile.

Thanks to smart design, rugged construction and reliable horsepower, all Farmall B Series tractors deliver tonnes of performance in a compact size. Their 3 and 4 cylinder diesel engines provide horsepower ranging from 23 to 57, so you're sure to find a model that fits the needs of your operation. These tractors feature gear or hydrostatic transmissions, a comfortable operator seat with ergonomic controls and a range of front end loader options.

So whether you put one of these tractors to work on a dairy farm, livestock operation, small farm, or need it for groundskeeping and landscaping, you can be sure you'll have a machine that works as hard as you do.

CASE IH FARMALL. THE PROVEN PERFORMER.

FARMALL 20B & 25B

Performance and agility combined in a powerful, small-chassis compact tractor.

With its proven three cylinder, high torque diesel engine and easy to operate two-range hydrostatic transmission, these purpose built compact tractors are perfect for pulling trailers and light implements, mowing and front loader work.

SYSTEMS APPROACH

When you buy a Case IH machine, you can be sure not only that you're buying the best product, but also that you've got the best dealer back-up behind you. Case IH dealers can offer advice on selecting and financing the right machine, will ensure they deliver what you need when you need it, and will then continue to back you and your equipment with the service and spare parts backing you'd expect from a name as trusted as Case IH.

IT'S LIKE HAVING A PARTNER BESIDE YOU ALL SEASON.

Case IH has more professionals in the field working alongside producers than anyone else – two out of three Case IH employees work right where you do. Case IH dealers have the know-how to help you manage your equipment investment to get the most out of every dollar. Our parts and service technicians have the skills and expertise it takes to maintain your equipment and keep it operating at peak performance. And CNH Capital can work with you to customise financing solutions that fit your unique needs. It's an entire system with only one goal in mind – to keep you up and running, working the way you want.

OFFERING FINANCIAL SOLUTIONS FOR MORE THAN 50 YEARS.

CNH Industrial Capital's extensive experience in the agricultural industry has created a deep understanding of your unique needs. Competitive equipment financing with flexible payments can be timed to your cash flow. Or, conserve capital and reduce upfront payments with operating lease options. For other needs, choose from commercial revolving accounts specific to the agricultural industry. We can even help you protect your equipment investment with a wide variety of insurance and equipment protection products. There are financing options that fit the way you farm. CNH Industrial Capital helps you find them.
