

Planned Maintenance Programme

Prevention is cheaper than cure

UPTIME SERVICE

 **NEW HOLLAND**

The Planned Maintenance Programme by New Holland

Developed by New Holland to make it easier for our customers to manage long term routine maintenance, Uptime Service is a professional and flexible Planned Maintenance Programme.

Planned Maintenance. Why is it so important?

Planned maintenance is a key factor to maximize machine performances and uptime through regular inspections and scheduled operations carried out by skilled technicians according to manufacturer's standards.

When to choose Uptime Service?

Uptime Service Planned Maintenance Programme is only available on new tractor and combine purchases.

Why choose Uptime Service?
