CNH INDUSTRIAL SERVICE LTD.
Dubai Airport Free Zone, Building 2W, Office 201

A DEALERSHIP OPPORTUNITY WITH A LEADING COMPANY AWAITS YOU

INVESTING TO DRIVE DRAMATIC GROWTH THROUGH MARKET SHARE GAIN

CASE designs, manufactures and markets a wide range of heavy and light construction equipment machines for applications in many sectors such as civil construction, infrastructure, industrial applications, mining, quarrying, landscaping, agriculture and forestry.

Their products and services are well known and sold all around the globe through a professional network of 400 Dealers and 1'250 Outlets.

Through CASE Dealers, Customers have access to a true professional partner network with world-class equipment and aftermarket support, industry-leading warranties and flexible financing.

***BEING A CASE DEALER IS A VERY REWARDING EXPERIENCE.
IF YOU QUALIFY YOU WILL BE PART OF A TRULY INTERNATIONAL COMPANY.***

CASE is expanding its Dealer network in the Africa & Middle East area and looking for **long lasting business partnerships. The opportunity awaits you!**

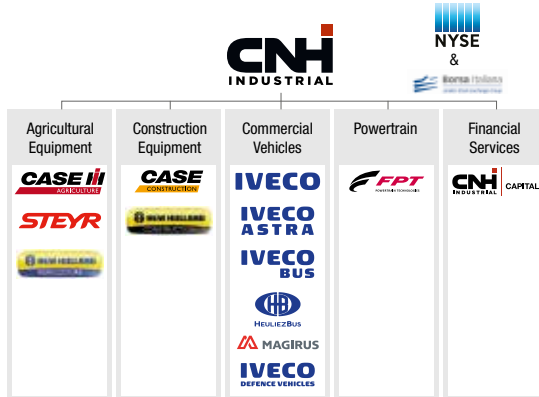

This brochure is designed to provide you with some information and insights into what it is like to become a CASE Dealer, the professional support with people and tools that are on offer for the Network, what candidate profile we are looking for and our appointment process.

Every CASE Dealer may download it to have the most effective, accurate and updated information about every new product. Key features and Customer benefits are clearly explained.

REPOSITORY / CASE STUDIOPRO

Official website for day-to-day business where Dealers can find:

- **Communication material**: Brand Presentation, Logo and Brand Identity Manuals, Images, Video Gallery, Press Kit.
- **Products material**: brochures and spec sheets to help you communicate the latest features, advantages and benefits of CASE products.

TRAINING

Knowledge is an important part of our business. That's why CASE offers valuable training right after the appointment with a start-up programme that focuses on our latest equipment and real-world industry challenges. Training is available in a wide variety of flexible formats, including face-to-face, hands-on working labs at our Customer Centers and online webinars. **WEB ACADEMY** is the training platform where Dealers can find a comprehensive training offer that provides them with a range of professional training courses designed to build business knowledge and enhance competences in sales, after sales and business management.

GETTING STARTED AND APPOINTMENT PROCESS

We are excited to have your commitment to make the CASE family even stronger. Here is what you'll need to know when you apply to become a case Dealer.

You may be the right Dealer if you have a proven track record and can demonstrate your strength in the following 3 key pillars

OPERATIONAL MANAGEMENT

- Dedicated management team with successful track record and construction industry experience
- Strong Parts & Service culture
- Passionate and results driven personnel
- Committed in achieving challenging objectives
- Accounting management

MARKET COVERAGE

- Excellent purpose built or existing premises with adequate visibility from the main road to ensure every Customer receives sales and after sales quality experience
- Ensure adequate coverage of the requested Territory with professional workforce
- Investing in brand equity through advertising and marketing actions

CAPITALIZATION AND FINANCIAL CAPACITY

- Owners' equity required ratio of 1-to-3
- Last 3 years sound Financials (Balance Sheet, P&L and Cash flow)
- Adequate Financial coverage for first stock order and start-up of the business (as agreed with the Regional Financial Services Manager after the evaluation of 3 year Financials and Business Plan)

If you think you have what it takes, please apply to become a CASE Dealer. Here is the Appointment Process:

DUE DILIGENCE

- Applications are complemented by Candidates' Business Profile⁽¹⁾ and Financials
- Network Development, Business Managers and Financial Services make preliminary compliance check

STANDARDS AND BUSINESS PLAN

- Field Staff from Sales, After Sales and Product Marketing check on-site that Candidates' mandatory requirements are fulfilled and fix Action Plan to bridge the gap
- Business Plan⁽¹⁾ is agreed and signed

OFFICIAL APPOINTMENT

- Distributor Agreement process is initiated and official endorsement from CASE Top Management is required to complete the Appointment
- Set-up of Financial flows and Phase-In process

⁽¹⁾ Document provided by CASE after the candidate has applied through the official website www.casece.com or has contacted CASE via email korhan.karakaya@cnhind.com or by phone +971 56 406 4000
