PROFESSIONAL ANNUAL **INSPECTION** INCLUDED

3 years STEYR performance check

Getting you TERRUS CVT fit and ready for the incoming season is the best way to increase productivity, maintain efficiency and avoid downtime. And for 3 years you can do it completely free. At your STEYR dealership, an expert technician following manufacturer guidelines will check all the critical areas of your tractor:

- ▶ Safety equipment/operator cab
- ▶ Engine/SCR/DPF system
- ▶ Cooling system and air conditioning
- ▶ Battery
- ▶ Steering system
- ▶ Powertrain
- ▶ Wheels/tires
- ▶ Brakes
- ▶ Hydraulic
- ▶ Hitch/PTO
- ▶ Drive test

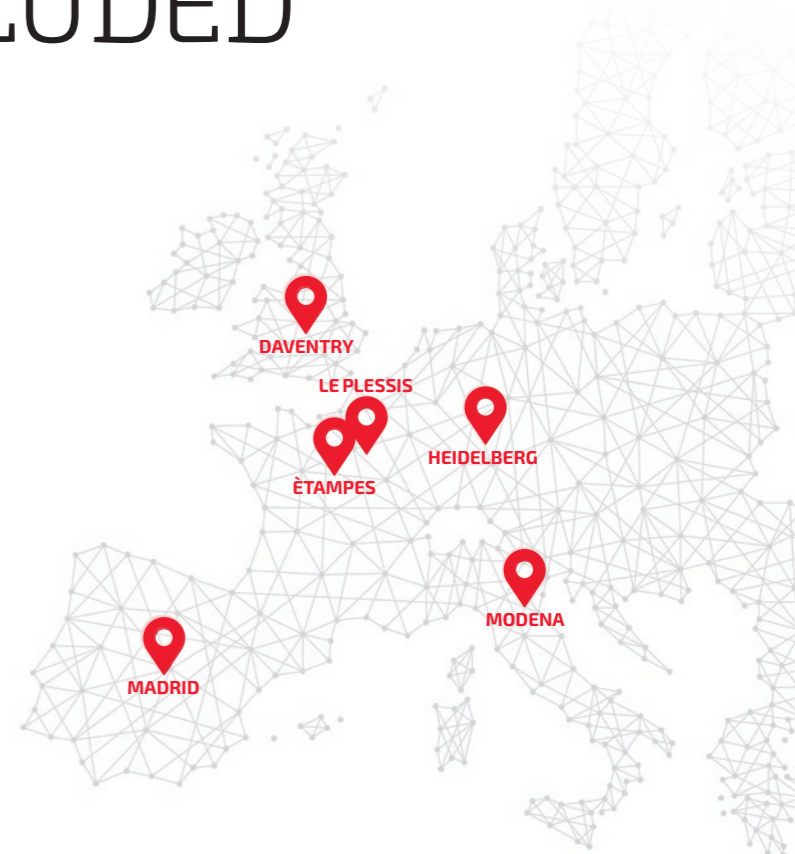

Please note that wear parts cost are not included.

3 YEARS 24/7 **PREMIUM** **SERVICE** INCLUDED

24/7 PREMIUM SERVICE

Let's face it: breakdowns happen. But don't worry, you won't face this unlikely and unlucky event alone. Thanks to PREMIUM SERVICE, the whole STEYR organization will immediately mobilize to get your tractor back to work in the shortest possible time. Your Dealer and our Premium Service team will work closely together to solve any technical issue or to quickly deliver any needed part, thanks to a priority, fast-track process that skips the usual parts orders steps. Minimum downtime, maximum satisfaction: that is our promise.

You can also open a PREMIUM SERVICE dossier by contacting us at 00 800 7839 7000.

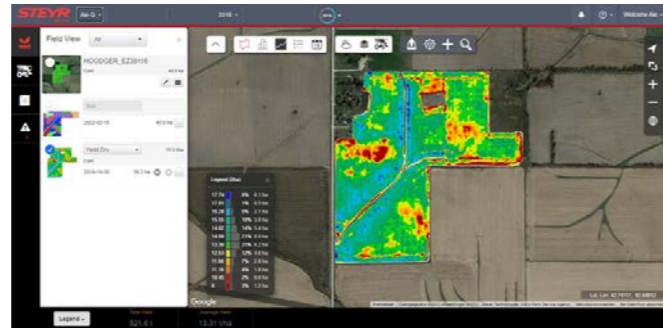

3 YEARS **S-FLEET** FEATURES INCLUDED

S-FLEET features

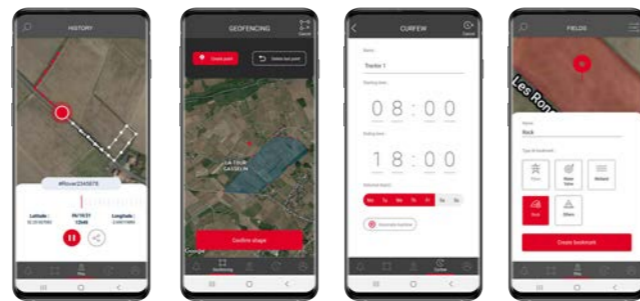

Farm

The S-FLEET software enables you to view, edit, manage, analyse and use precision farming data. It does not matter which data source you are using – either the Infomat 1200 display, your planting adviser, an agricultural wholesaler or a different supplier – with the help of your S-FLEET software you can import and manage all data in a simple operation.

FLEET management

With FLEET management, you can locate your machinery and – via an extended feature – your team, all from a single website. This enables you to find out the precise location of a specific machine and to coordinate machine logistics, optimizing maintenance and tank filling operations. More productivity and efficiency guaranteed!

3 YEARS **TELEMATICS** INCLUDED

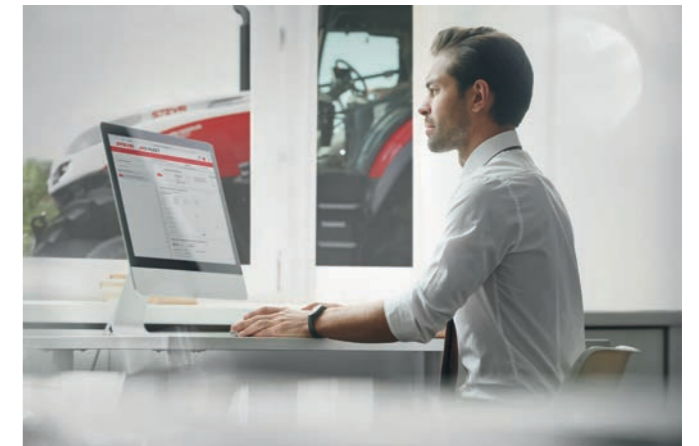

Telematics features

Customer proactive breakdown support

- ▶ Your STEYR dealer can proactively resolve an issue that may happen on your product before you even notice that something is wrong
- ▶ Your STEYR dealer receives an overview of your STEYR product alerts (if any)
- ▶ In case of an alert, STEYR sends your STEYR dealer a recommended procedure to resolve the fault faster

Customer remote support

- ▶ Your STEYR dealer saves time in the diagnosis and resolution of faults
- ▶ Retrieve error codes and connect the electronic diagnostic tool from the workshop
- ▶ Update software on your product over the air
- ▶ Guide you through your STEYR product screen menus from the workshop in case you need

3 YEARS **TELEMATICS** INCLUDED

Telematics features

Maintenance reminder

This feature allows you and your STEYR dealer to plan maintenance interventions to be performed on your STEYR products to minimise the impact on your operations.

Steyr recorded and certified maintenance interventions contribute not only to your machine health but also increase machine resale value.

Machine history report

A vehicle's parameters, records and condition report over a selected period of time.

Allows you to optimize the way your STEYR product is operated: fuel consumption, temperatures etc...

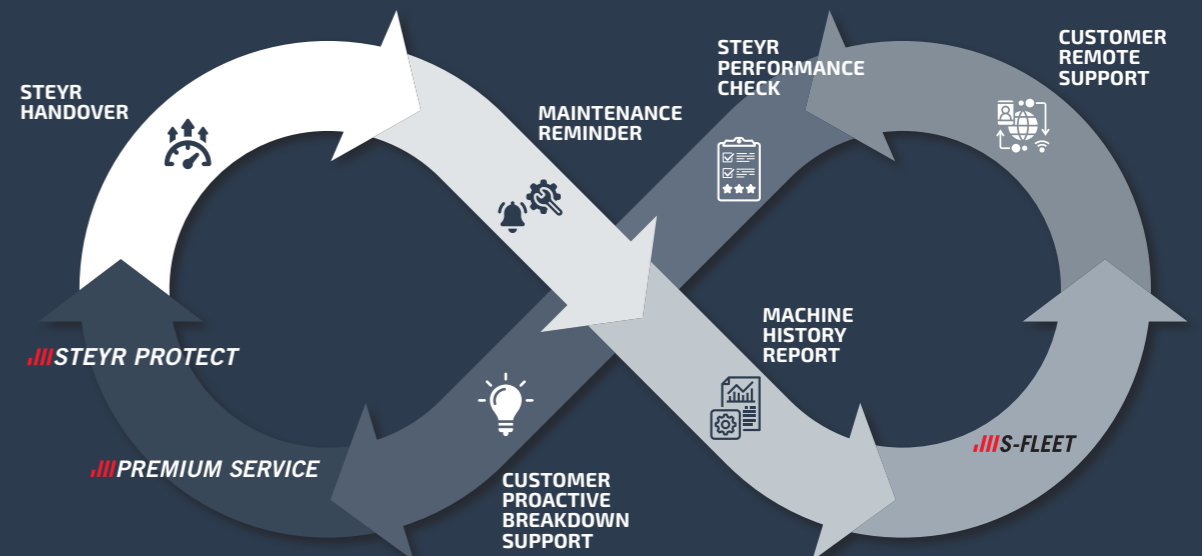

3 YEARS S-TECH **PROTECT** INCLUDED

All season connected support

Enjoy S-TECH Protect real-time services with remote diagnostic tools, 24/7 Premium Service, professional annual inspection and even free training, to get the very best out of your STEYR tractor.
