

WE GROW YOUR PEACE OF MIND

UPTIME WARRANTY

 **NEW HOLLAND**

Up to 6 years without worries, hitches and unexpected costs. This is Uptime Warranty.

Uptime Warranty is the extended warranty programme by New Holland, designed to give you complete and long-lasting peace of mind, providing the opportunity to extend the warranty cover for up to 6 years (1+5) upon purchase of your new machine.

Uptime Warranty programme is perfectly tailored to your business and to both your present and future needs and is available for the whole range of New Holland Equipment: Tractors, Combine Harvesters, Forage Harvesters, Grape Harvesters and Balers.

With Uptime Warranty both life and work are easier.

At least **7 good reasons** to choose New Holland Uptime Warranty :

- The programme is **developed, managed and guaranteed by the Manufacturer** - no insurance company behind.
- **Protection** against unexpected repair costs.
- **Control** over operating cost for improved **profitability**.
- Higher **residual value** of your equipment.
- **Professional** support on occurrence.
- **Tailored, upgradeable and transferable** to the next owner within the same Country*.
- Deductibles Options up to 400€*.

* Uptime Warranty Program may vary depending on the Country.
Please refer to your New Holland dealer for contract conditions and applicability.

With Uptime Warranty the choice is yours.

At the time of purchase, you can take out an Uptime Warranty contract, choosing from the following options:

- The level of cover: full or driveline cover.
- The number of years to be covered: two, three, four or five years.
- The number of working hours to be covered.
- Many other options to tailor the programme and meet your expectations.

FULL COVER As valuable as your equipment.

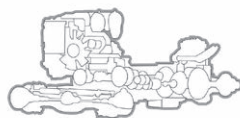

Choosing this option means that the entire machine is covered under the same conditions of the standard base warranty.

Surely, the peak of protection for your investment, the perfect control over your operating costs, the maximum resale value of your equipment.

Full cover, full peace of mind.

DRIVELINE COVER The base of your confidence.

Choosing the option “from the engine to the ground” you will have with more than 4000 types of failure codes covered. **The basis of your confidence.**

Have a look to a real repair case, subscribe Uptime Warranty and... relax!

One of our customers, owner of a T7.210 Auto Command, recently took his tractor into the workshop because it was not reversing. This is the story of the inconvenience.

COMPLAINT: unit not reversing.

WORKSHOP OPERATION:

- Tractor not reversing but able to drive forward: check for error codes with EST tool.
- Carry out transmission calibration: unable to calibrate clutch.
- EST diagnostic tool monitoring and checking transmission pressure: found clutch pressure loss.

The solution was the
