PROTECT YOUR INVESTMENT AND WORK WITH PEACE OF MIND

WHY CASE PROTECT?

You want the peace of mind that comes from protection against unexpected failures and related costs carrying on beyond the base warranty period. With CASE Protect, you can count on all repairs being carried out by CASE experts using only original parts and certified lubricants. This ensures maximum uptime for your machine and a higher resale value.

WHAT IS INCLUDED IN THE CASE PROTECT COVER?

- + All new CASE machines purchased in Europe
- + A choice of plans with different levels of cover
- + Plans for periods of up to 60 months or 8,000 total machine hours, whichever occurs first

For added peace of mind, bundle your **CASE Protect** plan with the full CASE Service Solutions offering.
