

SB SMALL SQUARE BALERS

EVERY DAY, YOU DEMAND MORE. MORE FROM THE LAND. MORE FROM YOURSELF. MORE FROM YOUR EQUIPMENT. WHICH IS WHY WE ALSO DEMAND MORE. MORE CAPACITY. MORE PRODUCTIVITY-BOOSTING FEATURES. MORE APPROACHABLE AND KNOWLEDGEABLE CASE IH EXPERTS. AND WE DO ALL THIS TO BETTER SERVE YOU AND THE NEEDS OF YOUR OPERATION.

CASE IH BALERS ARE KNOWN FOR PRODUCING TOP-QUALITY BALES WHILE GETTING THE CROP OUT OF THE FIELD EFFICIENTLY AND RELIABLY. IT ALL STARTS WITH RUGGED CONSTRUCTION AND HIGH-CAPACITY FEATURES LIKE WIDE PICKUPS, HEAVY-DUTY FEEDING SYSTEMS AND GEAR-DRIVEN KNOTTERS. DEMAND MORE PERFORMANCE AND EFFICIENCY IN YOUR OPERATION – DEMAND THE BEST WITH CASE IH SMALL SQUARE BALERS.

FOR THOSE WHO DEMAND MORE

LEADI	NG THE INDUSTRY	4
CASE	IH SYSTEMS APPROACH	6
SPECI	FICATIONS	7

	Model	Bale Size	Minimum Tractor Requirement
	SB521	14 x 18 in. (356 x 457 mm) 1-4.3 ft. (0.31–1.3 m) long	35PTO hp (26kW)
Sec.	SB531	14 x 18 in. (356 x 457 mm) 1-4.3 ft. (0.31–1.3 m) long	62 PTO hp (45 kW)
	SB541	14 x 18 in. (356 x 457 mm) 1-4.3 ft. (0.31–1.3 m) long	75 PTO hp (56 kW)
	SB551	16 x 18 in. (406 x 457 mm) 1-4.3 ft. (0.31–1.3 m) long	80 PTO hp (60 kW)

HIGH-QUALITY, DEPENDABLE PERFORMANCE. EASY MAINTENANCE.

EXPECT A NON-STOP SUPPLY OF TIED-TO-LAST BALES, SEASON AFTER SEASON.

Crank out high-quality bales in all kinds of crops and crop conditions with the SB Series small square balers. They are all about productivity. With four models, these balers get the job done right with high-capacity features like wide pickups and heavy-duty, smooth rotary feeding systems.

Producing top-quality hay is easy with the SB Series. Designed with forage quality in mind, these balers utilize the entire crop you grow by harvesting more high-protein leaves for higher feed value. Specially-designed key features create bales that are of consistent size, shape and density. **An optional light kit** (red tail lamps, amber flashing warning lamps, turn signals, and brake lamps) makes travel between fields easy and meets requirements for traveling on public roadways.

A Pickup drive chain access shield

gives easy entry to service points.

SB541

▲ Feeding systems have a huge 283 sq. in. (1826 sq. cm.) feed opening to easily handle large, uneven windrows. The SB521 feeder tines or the rotary system of the SB531 through SB551 gently and smoothly move crop into the bale chamber with minimal shatter loss for high-guality, high-protein bales.

CASE

V Density control is handled simply by

adjusting tension applied to the bale

chamber. Optional hydraulic density

control system conveniently helps maintain uniform bale density and weight

-

in varving crop conditions.

BETTER-BUILT BALES.

Knotters are gear-driven and built to wear for durability, consistent tying and low maintenance.

8-twine bale box allows for longer baling duration without rethreading increasing productivity in the field.

CASE

SB541

Bale thrower option lets the wagon fill along with the baler. Smooth, reliable hydraulic drive throws the bale.

Category 6 heavy-duty driveline and clutches provide outstanding durability and power for high-capacity baling.

The power-pivot mid-mount bearing makes tractor hook-up hassle free without tools, additional hitch extensions or special adapters.

PTO shielding features hydraulic hose slots for convenience and protects hydraulic hose ends from collecting dirt and debris. **Gearbox shielding** flips up to allow easy access to key service points on main drive chain and gearbox.

Flip down side shield give access to knotter service points.

EVERYTHING YOU NEED. ONE EXCEPTIONAL PACKAGE.

CASE IH EMPLOYS A TOTAL SYSTEMS APPROACH, INTEGRATING EQUIPMENT, FINANCING, PARTS AND SERVICE INTO AN EXCEPTIONAL PACKAGE THAT BENEFITS YOU.

Turn to your experienced Case IH specialists when it comes to purchasing the equipment you need for an optimum return on your investment. Highly trained Case IH dealers know how to match the right tractor with your new SB Small Square Baler and other implements needed to efficiently complete your farming operations, from row crop applications to livestock work and other chores around the farm.

Your Case IH dealer can provide assistance in selecting the right equipment to meet your operation's productivity and financial goals. The Case IH systems approach helps pair tractors with compatible implements, such as balers, planters, cultivators or disks, to achieve peak performance from both pieces of equipment. Your dealer will recommend the ideal option package, with proper tires, weighting and ballast, to help your Case IH tractor work most efficiently for your specific requirements. Plus, he or she will consult with you in analyzing results, field by field.

You can also rest assured your Case IH equipment will hold its value through trade-in time. And with the Advanced Farming Systems (AFS), you will be able to operate more efficiently, avoiding overlaps and getting more income per acre. Case IH equipment and your dealer's value-added service are the right choices for those who demand more.

CNH CAPITAL FINANCING SOLUTIONS

For those who demand more from a financial services provider, CNH Capital has the right solutions for you. With more than 50 years' experience in the agricultural industry, we understand your unique needs and have developed a wide range of financial products and services to support your business.

CNH Capital offers competitive equipment financing with flexible payments that can

be timed to your cash flow. Operating and finance leases are also attractive options that allow you to reduce up-front payments and conserve capital, while benefiting from the latest in equipment technology. For other business financing needs, choose from a variety of credit card programs designed specifically for the agricultural business.

PARTS AND SERVICE EXPERTISE

You can always count on your Case IH dealer for the professional service and advice necessary to keep your equipment running, season after season.

In addition to helping you find the right product solutions for your operation, your Case IH dealer offers a vast array of parts, services and equipment protection plans all backed by expert advice and skilled, factory-trained service professionals who can help you before, during and after the sale. Your Case IH dealer carries the complete line of genuine Case IH parts and components, along with full-service maintenance programs and industryleading warranties that can help keep your equipment running smoothly.

Now you can identify the Case IH parts you need online

- Visit www.caseih.com/na
- Click on Search for Parts under Parts & Service
- Enter your model number or product name
- View a parts list and diagram
- Build a list of the parts you need
- Contact your Case IH dealer to order parts
