40
inspection
points in addition
to precise,
comprehensive
electronic
diagnostics.

Akcela®

At the very heart of your business

PETRONAS Akcela NO. 1 ENGINE OIL 15W-40 is a premium engine oil developed in collaboration with Case IH for Tier 3 and previous generation engines. It meets the requirements of engines with SCR and EGR technology. High dispersing force for effective control of thickening phenomena due to soot produced by combustion.

- It maintains viscosity to prevent increases in fuel consumption/stability test above and beyond the API standard **87%**
- It prevents thermal degradation, which leads to increased wear/ reduces the wear on rings **55%** above and beyond the API standards
- It combats the formation of acids which increase lubricant degradation/ demonstrates greater resistance to acidification **43%** than the API standard

PRE SEASON CHECK BENEFITS

BOOK EARLY, FOR GREATER PEACE OF MIND

BOOKING IN ADVANCE GUARANTEES

- ✓ Off-season special offers
- ✓ Availability of parts
- ✓ Reduced risk of machine downtime during harvest

CASE IH HI-TECH SERVICE

- ✓ Technical expertise
- ✓ Full check of the machine and software updates
- ✓ Use of genuine parts for original-quality performance
