Comprehensive protection for your New Holland machinery

Extended Warranty and Scheduled Maintenance Plans

OptiCover is engineered to extend the standard product warranty

on New Holland tractors, combines, balers, forage harvesters and self-propelled windrowers to provide even more protection and peace of mind.

The ultimate mechanical protection plan for your hard-working equipment.

At New Holland, we understand that your equipment is essential to the success and productivity of your business.

That's why we offer OptiCover Extended Warranty – a comprehensive range of extended warranty options that provide coverage for up to 5 years. Designed to deliver true peace of mind, OptiCover is our promise to support you beyond the standard warranty period, ensuring you're protected if the unexpected happens.

The entire plan duration includes the standard product warranty provided by New Holland, giving you the flexibility to extend protection according to your needs - for up to 5 years and 5000 hours in total.

You can purchase an OptiCover Extended Warranty Plan within 30 days from the date of delivery of your new equipment.

COMBINE OPTICOVER WARRANTY WITH AN OPTICOVER SCHEDULED MAINTENANCE AGREEMENT FOR COMPLETE PROTECTION AND PERFORMANCE.
